This Proxy Statement is being furnished to shareholders of United Bancorp, Inc. (“United Bancorp” or the “Corporation”) in connection with the solicitation of proxies by the Board of Directors of the Corporation to be used at the Annual Meeting of Shareholders, and any adjournment thereof, to be held at the time and place set forth in the accompanying notice (“Annual Meeting”). This Proxy Statement and the enclosed proxy are first being sent to shareholders on or about March 19, 2019.

At the Annual Meeting, shareholders of the Corporation will be asked to:

- Elect five nominees to the Corporation’s Board of Directors.
- Advisory vote on the ratification of Executive Compensation
- Advisory vote on frequency of votes on Executive Compensation
- Ratify the Audit Committee’s appointment of BKD, LLP to serve as the Corporation’s Independent Registered Public Accounting Firm for the 2019 fiscal year.

**Voting and Revocation of Proxies**

Just indicate on the enclosed proxy card how you want to vote, and sign, date and return it as soon as possible in the enclosed envelope or submit a proxy over the internet or by telephone by following the instructions on the enclosed proxy card. In those rare instances where properly signed proxy cards are returned but where no specific voting choice has been selected, the proxy card gives the Corporation the authority to vote those shares, which shares will then be voted as follows: (1) “For” the election to the Board of Directors of each of the nominees identified herein; (2) “For” both proposals 2 and 4; and (3) for a frequency of every “Three Years” on proposal 3.

The presence of a shareholder at the Annual Meeting will not automatically revoke such shareholder’s proxy. However, shareholders may revoke a proxy at any time prior to its exercise by filing with the Secretary of the Corporation a written notice of revocation, by delivering to the Corporation a duly executed proxy bearing a later date, by using the internet or telephonic voting feature to modify previously submitted electronic voting instructions, or by attending the Annual Meeting and notifying the Secretary of his or her intention to revoke any prior proxy and vote in person. Written notices of revoked proxies may be directed to Lisa A. Basinger, Corporate Secretary, 201 South Fourth Street, Martins Ferry, Ohio 43935.

## **Solicitation of Proxies**

The cost of soliciting proxies will be borne by the Corporation. In addition to the solicitation of proxies by mail, the Corporation, through its directors, officers and regular employees, may also solicit proxies personally or by telephone, e-mail or telecopy without additional compensation. The Corporation will also request persons, firms and corporations holding shares in their names or in the name of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from the beneficial owners and will reimburse the holders for their reasonable expenses in doing so.

## MEETING INFORMATION

### **Date, Place and Time**

The Annual Meeting of Shareholders of the Corporation will be held on Wednesday, April 17, 2019, at 2:00 p.m., local time, at Unified Bank, 201 South Fourth Street, Martins Ferry, Ohio.

### **Record Date, Voting Rights**

Only the Corporation's common shares can be voted at the Annual Meeting. Each share entitles its owner to one vote on all matters.

The close of business on March 8, 2019 (the "Record Date") has been fixed as the record date for the determination of shareholders entitled to vote at the Annual Meeting. There were approximately 2,000 shareholders (including both record holders and beneficial owners holding their shares in street name) of the Corporation's common shares and 5,921,107 of the Corporation's common shares outstanding as of the Record Date. Each share of the Corporation's common stock is entitled to one vote.

The presence in person or by proxy of a majority of the outstanding common shares of the Corporation entitled to vote at the meeting constitutes a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum.

## OWNERSHIP OF VOTING SHARES

As of the Record Date, 369,711 shares had been allocated to participants' accounts and 47,271 shares remain unallocated under the ESOP.

The following table sets forth the beneficial ownership of the Corporation's common shares by each of the Corporation's directors and the Corporation's senior executive officers, and the directors and executive officers as a group, as of December 31, 2018.

Shareholders may vote “FOR” each of the nominees for election to the Corporation’s Board of Directors or may “WITHHOLD AUTHORITY” to vote their shares for one or more nominees. Shares represented at the Annual Meeting in person or by proxy but withheld or otherwise not cast for the election of directors, such as broker nonvotes, will have no impact on the outcome of the election of directors. Where properly executed proxy cards are returned but no voting instructions with respect to such shares are given, the shares will be voted “FOR” the election to the Board of Directors of the persons nominated by the Board of Directors of the Corporation.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR”  
EACH OF THE NOMINEES FOR ELECTION  
TO THE BOARD OF DIRECTORS**

## DIRECTOR INDEPENDENCE AND RELATED PARTY TRANSACTIONS

The Board of Directors has determined that all Directors have met the independence standards of the NASDAQ Marketplace listing standards with the exception of Scott A. Everson, who is President and Chief Executive Officer of the Corporation. Directors deemed independent by the Board of Directors include Gary W. Glessner, John M. Hoopingarner, Richard L. Riesbeck, and Dr. Carl A. Novak, DDS.

It is customary and routine for directors, officers, significant shareholders, and each of their respective family members and affiliated entities (collectively, “Related Parties”) to do business with their community bank. Such a relationship, including routine banking business, is viewed as beneficial to the Corporation and is encouraged, so long as they are fair and reasonable to the Corporation and are entered into upon terms and conditions generally available to the public, or similar to that which could be obtained from an independent third party. Pursuant to the Corporation’s Code of Ethics and Business Conduct, United Bancorp may do business and have financial dealings with its Related Parties provided either of the following criteria is satisfied:

- Such business or financial dealings involve United Bancorp’s subsidiary bank or any other financial services subsidiary providing banking or financial services to such person in the ordinary course of business upon terms and conditions generally available to the public, to the extent such arrangements are made in compliance with all applicable banking and securities laws and regulations; or
- The terms and conditions of such relationship have been presented to and approved by the Audit Committee of United Bancorp’s Board of Directors, including any “related party transaction” requiring disclosure in United Bancorp’s annual meeting proxy statement. In the event any member of the Audit Committee, any entity controlled by such member, or any associate or family member of such member, proposes to provide products or services to the Corporation, such member must recuse him or herself from the discussion and decision about the appropriateness of such arrangement.

Except for the general banking transactions described below, no Related Parties engaged in any transaction with the Corporation during 2018 in which the amount involved exceeded \$120,000. The Corporation has engaged and intends to continue to engage in the lending of money through its subsidiary bank to its Related Parties. All loans to such persons (i) were made in the ordinary course of business, (ii) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and (iii) did not involve more than a normal risk of collectability or present other unfavorable features.

## CORPORATE GOVERNANCE AND COMMITTEES OF THE BOARD

The Board of Directors has adopted both the United Bancorp, Inc. Corporate Governance Guidelines and the United Bancorp, Inc. Code of Ethics and Business Conduct, both of which may be found on United Bancorp's website at *www.unitedbancorp.com*. In consideration of the size, complexity, and nature of the Corporation's business, the Board of Directors has chosen to establish separate positions for the President and the Board Chairman in order to maintain a separation of power and duties to further strengthen the governance structure. The Board Chairman is a non-employee, outside director who is not directly involved with the daily operations of the Corporation. Thus, the Board Chairman is able to focus attention on corporate structure and future strategic direction. The Board Chairman serves as the leader of the Board of Directors, presiding over full board meetings and ensuring full accountability for the shareholders' interests. Effectively monitoring the decisions and actions of management is one of the primary roles of the Board of Directors.

The Board of Directors of United Bancorp met 4 times in 2018. The Board of Directors of United Bancorp has standing Executive, Audit, Compensation, and Nominating and Governance Committees. The Audit Committee has been established in accordance with section 3(a)(58)(A) of the Exchange Act. The membership and general function of these committees are noted below.

**Executive Committee.** Mr. Riesbeck, Chairman, Mr. Scott A. Everson, President and CEO, and Mr. Hoopingarner are the members of the Corporation's Executive Committee. The Executive Committee met 4 times during 2018. The functions of this committee are to act in the stead of the board between meetings, to receive formal vendor presentations and to review with management and set the agenda for each board meeting. The Executive Committee members also serve as advisory trustees to the Corporation's defined benefit pension plan and as trustees to the Corporation's 401(k) and ESOP plans.

The Executive Committee of the Board of Directors is also responsible for ensuring that an adequate risk management framework is in place and functioning as intended. A clear understanding and working knowledge of the material risks inherent to the Corporation's activities is an absolute necessity. Material risks routinely monitored by the Executive Committee include: market risk; credit risk; compliance risk; and information technology risk. A brief description of the Executive Committee's function in monitoring these risks follows below.

**Market Risk:** Market risk is the exposure to loss resulting from changes in interest rates and equity prices. The primary market risk to which we are subject is interest rate risk. The majority of our interest rate risk arises from the instruments, positions and transactions entered into for purposes other than trading such as loans, available for sale securities, interest bearing deposits, short term borrowings and long term borrowings. Interest rate risk occurs when interest bearing assets and liabilities reprice at different times as market interest rates change.

The Board, through its Executive Committee, is responsible for monitoring interest rate risk within an overall asset/liability management framework, including monitoring the effectiveness of the processes and control procedures used by the Bank to monitor the relative mix of assets and liabilities. The principal components of asset/liability management include, but are not limited to liquidity planning, capital planning, gap management and spread management.

Credit Risk: The risk of nonpayment of loans, or credit risk, is inherent in commercial banking. The Board, through its Executive Committee, is also responsible for monitoring credit risk by periodically evaluating loan review reports generated both internally by the Bank and externally by a third party engaged to perform a loan review analysis. The Executive Committee attempts to reduce the Bank's credit exposure by carefully monitoring the concentration of its loans within specific industries and through loan application and approval procedures.

Compliance Risk: The banking industry is heavily regulated, and the activities and operations of the Bank are subject to a number of detailed, complex and sometimes overlapping laws and regulations. The Board, through its Executive Committee, is also responsible for overseeing the Bank's compliance with these various laws and regulations, which include without limitation state usury and consumer credit laws, state laws relating to fiduciaries, the Federal Truth-in-Lending Act (Regulation Z), the Federal Equal Credit Opportunity Act (Regulation B), the Fair Credit Reporting Act (Regulation V), the Truth in Savings Act (Regulation DD), the Community Reinvestment Act (Regulation BB), anti-redlining legislation and antitrust laws. As part of this process, the Executive Committee also monitors the effectiveness of the internal controls implemented to safeguard against operational risks, including, but not limited to, data processing system failures and errors, customer or employee fraud and catastrophic failures resulting from terrorist acts or natural disasters.

Information Technology Risk: The Board, through its Audit Committee, is responsible for monitoring information technology (IT) risk. In connection with IT governance, issues related to cyber security are continually evaluated by the Audit Committee, and the findings, determinations and actions of that committee are routinely reported to the full Board. Overall, the IT risk assessment focuses on information and information systems applicable primarily to the operations of the Bank. Without reliable and properly secured information systems, business operations could be severely disrupted. Likewise, the preservation and enhancement of the Corporation's reputation is directly linked to the way in which both information and information systems are managed. Maintaining an adequate level of security is one of several important aspects of managing IT risk.

**Audit Committee.** Mr. Glessner, Chairman, and Messrs. Riesbeck and Hoopingarner are the members of the Audit Committee. The Audit Committee met 4 times during 2018. The functions of this Committee include the engagement of independent auditors, reviewing with those independent auditors the plans and results of the audit engagement of the Corporation, approving the annual audit plan

and reviewing the results of the procedures for internal auditing, reviewing the independence of the independent auditors, reviewing the Corporation's financial results and Securities and Exchange Commission filings, reviewing the effectiveness of the Corporation's internal controls and similar functions and approving all auditing and non-auditing services performed by its independent auditors. The Board of Directors has adopted a written charter for the Audit Committee which may be found on the Corporation's website at [www.unitedbancorp.com](http://www.unitedbancorp.com). All members of the Audit Committee meet the independence standards of the NASDAQ Marketplace listing standards. The Board of Directors has determined that Gary W. Glessner is an audit committee financial expert for the Corporation and is independent as described in the preceding sentence. The report of the Audit Committee for 2018 appears under the caption "Report of the Audit Committee".

**Compensation Committee.** Mr. Riesbeck, Chairman, and Mr. Hoopingarner are the members of the Compensation Committee. The Compensation Committee met once during 2018. All members of the Compensation Committee meet the independence standards of the NASDAQ Marketplace listing standards. Director and executive officer compensation are determined by this Committee of the Board of Directors. The Board of Directors has adopted a Compensation Committee Charter which may be found on the Corporation's website at [www.unitedbancorp.com](http://www.unitedbancorp.com). Mr. Scott A. Everson, President and Chief Executive Officer of the Corporation, did not participate in any deliberations or decisions regarding his own respective compensation, but may advise this committee with respect to the compensation of other executive officers.

**Nominating and Governance Committee.** Mr. Hoopingarner, Chairman, and Mr. Riesbeck are the members of the Nominating and Governance Committee, both of whom meet the independence standards of the NASDAQ Marketplace listing standards. The Board of Directors has adopted a Nominating and Governance Committee Charter which may be found on the Corporation's website at [www.unitedbancorp.com](http://www.unitedbancorp.com). This Committee met once in 2018.

This Committee develops and recommends to the Board corporate governance policies and guidelines for the Corporation and for the identification and nomination of Director and committee member candidates and recommends director candidates to the Board of Directors for nomination in accordance with the Corporation's Amended Code of Regulations. In executing the latter function, the Committee will investigate and assess the background and skills of potential candidates. Upon identifying a candidate for serious consideration, one or more members of the Nominating and Governance Committee would initially interview such candidate. If a candidate merited further consideration, the candidate would subsequently interview with all other Nominating and Governance Committee members (individually or as a group), meet the Corporation's Chief Executive Officer and other executive officers and ultimately meet many of the other Directors. The Nominating and Governance Committee would elicit feedback from all persons who

met the candidate and then determine whether or not to recommend the candidate to the Board of Directors for nomination.

United Bancorp's Corporate Governance Guidelines and Code of Ethics and Business Conduct set forth the following criteria for Directors: independence (a majority of the Directors must be independent); honesty and integrity; willingness to devote sufficient time to fulfilling duties as a Director; particular experience, skills or expertise relevant to the Corporation's business; depth and breadth of business and civic experience in leadership positions; and ties to United Bancorp's geographic markets. Solely for purposes of maintaining a diverse mix of individuals on the Board of Directors, special consideration is given to experience, skills or expertise, and the depth and breadth of their business and civic experience in leadership positions. As currently comprised, the Board of Directors is a diverse group of individuals who are drawn from various market sectors and industry groups with a presence in the Bank's markets. Board members are individuals with knowledge and experience who serve and represent the Corporation's geographic footprint throughout the counties and communities served. Current board representation by outside directors demonstrates a background in regional government, insurance, manufacturing, and retail, with the expertise of these individuals covering a broad array of skills including corporate management, human resource management, strategic planning, business acquisitions, and retail and small business operations. In addition, generational attributes further broaden the diversity of the full board. What follows is a brief description of the particular experience and qualifications of each member of the Corporation's Board of Directors.

The Nominating and Governance Committee is empowered to engage a third party search firm to assist it in identifying candidates, but the Committee currently believes that the existing directors and executive management of the Corporation and its subsidiaries have sufficient networks of business contacts to identify candidates. The Nominating and Governance Committee did not engage any director search firm in 2018 and, accordingly, paid no fees to any such company. United Bancorp's Corporate Governance Guidelines provide also that shareholders may propose nominees by submitting the names and qualifications of such persons to the Chairman of the Nominating and Governance Committee. Submissions are to be addressed to the Chairman of the Nominating and Governance Committee at the Corporation's executive offices, which submissions will then be forwarded to the Chairman. The Nominating and Governance Committee would then evaluate the possible nominee using the criteria outlined above and would consider such person in comparison to all other candidates. The submission should be made no later than December 31<sup>st</sup> of each year for consideration in regard to the next annual meeting of shareholders. The Nominating and Governance Committee is not obligated to recommend to the Board, nor the Board to nominate any such individual for election.

Neither the Board nor the Nominating and Governance Committee have implemented a formal policy regarding director attendance at the Annual Meeting. Typically, the Board holds its annual organizational meeting directly following the Annual Meeting, which results in most directors being able to attend the Annual Meeting. In 2018, with the exception of Dr. Novak, who had not yet been appointed to the Corporation's Board of Directors, all United Bancorp, Inc. Directors attended the Annual Meeting. In addition, each director attended at least 75% of the combined total of meetings of the Board of Directors and meetings of each committee on which such director served during 2018.

## AUDIT COMMITTEE REPORT

The Audit Committee of the United Bancorp Board of Directors (the “Committee”) is composed of three directors, each of whom is independent as defined by the NASDAQ Marketplace listing standards, and operates under a written charter adopted by the Board of Directors.

Management is responsible for the Corporation’s internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Corporation’s consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and to issue a report thereon. The Committee’s responsibility is to monitor and oversee the processes. In this context, the Committee has met and held discussions with management and the independent auditors. In discharging its oversight responsibility as to the audit process, the Committee: (i) obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Corporation that might bear on the auditors’ independence consistent with the applicable requirements of Public Company Accounting Oversight Board (the “PCAOB”) regarding the independent accountant’s communications with the audit committee concerning independence; (ii) discussed with the auditors any relationships that may impact their objectivity and independence; and (iii) satisfied itself as to the auditors’ independence. The Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of United Bancorp’s internal controls and the internal audit function’s organization, responsibilities, budget and staffing. The Committee reviewed both with the independent and internal auditors their audit plans, audit scope and identification of audit risks.

The Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the PCAOB in Rule 3200T and, with and without management present, discussed and reviewed the results of the independent auditors’ examination of the financial statements.

The Committee reviewed and discussed the audited consolidated financial statements of United Bancorp as of and for the year ended December 31, 2018, with management and the independent auditors. Based on the aforementioned review and discussions with management and the independent auditors, the Committee recommended to the Board that United Bancorp’s audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2018, for filing with the Securities and Exchange Commission. The Committee also appointed the independent auditors.

The Audit Committee has retained BKD as United Bancorp’s independent auditor for fiscal year 2019. We expect representatives of BKD to be present at the Annual Meeting with the opportunity to make statements if they so desire and to be available to respond to appropriate questions raised at the Annual Meeting.

(a) Includes fees for services related to tax compliance and tax planning.

The Audit Committee is responsible for pre-approving all auditing services and permitted non-audit services to be performed by its independent auditors, except as described below. The Audit Committee will establish general guidelines for the permissible scope and nature of any permitted non-audit services in connection with its annual review of the audit plan and will review such guidelines with the Board of Directors. Pre-approval may be granted by action of the full Audit Committee or, in the absence of such Audit Committee action, by the Audit Committee Chair whose action shall be considered to be that of the entire Committee. Pre-approval shall not be required for the provision of non-audit services if (1) the aggregate amount of all such non-audit services constitute no more than 5% of the total amount of revenues paid by the Corporation to the auditors during the fiscal year in which the non-audit services are provided, (2) such services were not recognized by the Corporation at the time of engagement to be non-audit services, and (3) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit. No services were provided during 2018 by BKD, LLP pursuant to these exceptions.

**PROPOSAL #2**  
**ADVISORY VOTE ON THE**  
**RATIFICATION OF EXECUTIVE COMPENSATION**

As required by Section 14A of the Securities Exchange Act, we are seeking advisory shareholder approval of the compensation of the CEO and the other executive officers identified herein as the Named Executive Officers as disclosed in this Proxy Statement. This proposal, commonly known as a “Say-on-Pay” proposal, gives you as a shareholder the opportunity to endorse or not endorse our executive pay program through the following resolution:

“**RESOLVED**, that the shareholders advise that the compensation paid to the Company’s named executive officers, as disclosed in this Proxy Statement pursuant to the requirements of Item 402(m) through (q) of Regulation S-K, including the compensation tables and narrative discussion, is hereby **APPROVED**.”

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee of the Board of Directors will take into account the outcome of the vote when considering future executive compensation arrangements.

The Compensation Committee has determined that the compensation structure for the Named Executive Officers is effective, reasonable, and not excessive. Shareholders are encouraged to read the section of this Proxy Statement captioned “Executive Compensation and Other Information,” including the related tabular disclosure regarding Named Executive Officer compensation.

Shareholders may vote “FOR” or “AGAINST” this proposal or may indicate their intention to “ABSTAIN” from voting thereon. Proxies in the form solicited hereby which are properly executed and returned to the Corporation will be voted “FOR” this non-binding proposal unless otherwise indicated by the shareholder. The affirmative vote of the holders of Shares entitling them to exercise a majority of the voting power of the Corporation is required to adopt this advisory resolution. As a consequence, abstentions and broker non-votes effectively constitute votes cast “Against” such proposal. Broker non-votes represent shares for which a “street name” shareholder has not told his or her broker how he or she would like those shares voted on a particular proposal and for which the broker has no discretion to vote the shares in the absence of any direction. These shares are considered represented at this meeting but are not entitled to be cast on this particular proposal.

**THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS**  
**RECOMMENDS THE ADOPTION OF THE RESOLUTION.**

**PROPOSAL # 3**  
**ADVISORY VOTE ON FREQUENCY OF**  
**VOTES ON EXECUTIVE COMPENSATION**

As required by Section 14A of the Securities Exchange Act, we are seeking advisory shareholder approval of the frequency of shareholder votes on compensation of the Named Executive Officers. This non-binding “frequency” vote is required at least once every six years beginning with our Annual Meeting.

The Board believes that a vote every three years is most appropriate for the Company because such a vote would provide shareholders with the appropriate timeframe to evaluate the Company’s overall compensation philosophy, design and implementation. A three-year period is more closely aligned with the longer-term view that the Compensation Committee takes with respect to the more significant components our named executive officers’ compensation, and would allow shareholders the opportunity to evaluate the effectiveness of these programs over the time frames that they are intended to generate performance. Additionally, a longer period between votes would provide the opportunity for shareholders and advisory services to engage in more thoughtful analysis and would facilitate more meaningful dialogue between shareholders and the Board regarding the Company’s executive compensation practices.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years or abstain from voting when you vote in response to the resolution set forth below.

**“RESOLVED**, that the option of once every one year, two years, or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Company is to hold a stockholder advisory vote to approve the compensation of the Named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K.”

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by stockholders. However, because this vote is advisory and not binding on the Board in any way, the Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders.

**YOUR BOARD OF DIRECTORS RECOMMENDS A**  
**VOTE FOR “THREE YEARS”**

**PROPOSAL # 4**  
**ADVISORY VOTE ON THE APPOINTMENT OF**  
**THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors proposes and recommends that the shareholders ratify on an advisory basis the selection by the Committee of the firm of BKD to serve as its independent registered public accounting firm for the Corporation for the year 2019. The firm has served as independent auditors for the Corporation since 2007. Action by the shareholders is not required by law in the appointment of an independent registered public accounting firm, but their appointment is submitted by the Audit Committee of the Board of Directors in order to give the shareholders a voice in the designation of auditors. If the resolution approving BKD as the Corporation's independent registered public accounting firm is rejected by the shareholders then the Committee will reconsider its choice of independent auditors. Even if the resolution is approved, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Corporation and its shareholders.

**VOTE REQUIRED**

Shareholders may vote "FOR" or "AGAINST" this proposal or may indicate their intention to "ABSTAIN" from voting thereon. Proxies in the form solicited hereby which are properly executed and returned to the Corporation will be voted "FOR" this non-binding proposal unless otherwise indicated by the shareholder. The affirmative vote of the holders of Shares entitling them to exercise a majority of the voting power of the Corporation is required to adopt this advisory resolution. As a consequence, abstentions and broker non-votes effectively constitute votes cast "Against" such proposal.

**THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS**  
**RECOMMENDS A VOTE "FOR" THE ADOPTION OF**

## EXECUTIVE COMPENSATION AND OTHER INFORMATION

The following information relates to compensation of management for the year ended December 31, 2018, unless otherwise noted below. During 2018, Mr. Everson principally served as Chairman, President and Chief Executive Officer of Unified Bank which is the wholly owned subsidiary of the Corporation.

### Compensation Overview

*Introduction.* The Compensation Committee administers our executive compensation program. The committee, which is composed entirely of independent directors, is responsible for reviewing and determining executive officer compensation, for evaluating the President and Chief Executive Officer, for overseeing the evaluation of all other officers and employees, for administering our incentive compensation programs, for providing insight and guidance to management with respect to employee compensation generally, and for reviewing and making recommendations to the board with respect to director compensation. Scott A. Everson, the Corporation's President and Chief Executive Officer, participated with respect to decisions concerning other executive officers of the Corporation for 2018.

The Compensation Committee operates under a charter adopted by the board of directors. The Compensation Committee annually reviews the adequacy of its charter and recommends changes to the board for approval. The charter grants the Committee the authority to retain and terminate advisors, including compensation consultants, accountants and legal counsel, to assist in discharging its duties. No compensation consultants were retained in connection with compensation determinations for 2018. The Compensation Committee meets at scheduled times during the year and also acts upon occasion by electronic written consent. The chair of the committee reports on committee activities and makes committee recommendations at meetings of the board of directors.

*Compensation Philosophy.* Our executive compensation programs seek to achieve and maintain equity with respect to balancing the interests of shareholders and executive officers, while supporting our need to attract and retain competent executive management. The Board of Directors believes a key to attracting and retaining good management and directors is a competitive compensation program. Toward this end, the management compensation committee has developed an executive compensation policy, along with supporting executive compensation plans and programs, which are intended to attain the following objectives:

- Support a pay-for-performance policy that rewards Executive Officers for corporate performance.
- Motivate Executive Officers to achieve strategic business goals.
- Provide competitive compensation opportunities critical to the Corporation's long-term success.

The committee collects and analyzes comparative executive compensation information from relevant peer groups, then approves executive salary adjustments. Additionally, from time to time, the committee reviews other human resource issues, including qualified and non-qualified benefits, and management performance appraisals.

The Committee uses comparisons of competitive executive pay practices taken from banking industry compensation surveys and, from time-to-time, consultation with independent executive compensation advisors. Peer groups and competitive compensation practices are determined using executive compensation packages at bank holding companies and subsidiaries of comparable size to the Corporation and its subsidiaries.

There are three principal components of the compensation program for all Executive Officers of the Corporation and its commercial bank subsidiary: (i) a base salary component; (ii) a cash bonus incentive component; and (iii) a long-term equity compensation component. In 2008 the Corporation's shareholders approved The United Bancorp, Inc. 2008 Stock Incentive Plan (the "2008 Plan"). In accordance with the 2008 Plan, the Corporation as of December 31, 2018 had issued 300,000 restricted common stock awards to certain Officers and Directors of the Corporation. The 2008 Plan expired by its terms on April 15, 2018, ten years after its adoption, so awards may no longer be made under the 2008 Plan. All existing awards granted under the 2008 Plan prior to its termination remain outstanding in accordance with their terms. At the 2018 Annual Meeting of Shareholders, the Corporation's shareholders approved the United Bancorp, Inc. 2018 Stock Incentive Plan (the "2018 Plan."). To date, no awards have been granted under the 2018 Plan. The Corporation also has a 401(k) and employee stock ownership plan and a defined benefit pension plan.

In making its decisions regarding annual salary adjustments, the committee reviews quantitative and qualitative performance factors as part of an annual performance appraisal. These are established for each executive position and the performance of the incumbent executive is evaluated annually against these standards. This appraisal is then integrated with market-based adjustments to salary ranges to determine if a base salary increase is merited.

The accounting and tax treatment of particular forms of compensation do not materially affect the committee's compensation decisions. However, the committee evaluates the effect of such accounting and tax treatment on an ongoing basis and will make appropriate modifications to its compensation policies where appropriate.

*Components of Compensation.* The elements of total compensation paid by the Corporation to its senior officers, including the Chief Executive Officer (the "CEO") and the other executive officers identified in the Summary Compensation Table which appears following this Compensation Overview (referred to collectively herein as the "Named Executive Officers"), include the following:

- Base salary;

- Awards under our cash and stock-based incentive compensation programs;
- Awards under our 401(k) and employee stock ownership plan; and
- Benefits under our life, health and disability plans.

Base Salary. The base salaries of the Named Executive Officers are reviewed by the Committee annually as well as at the time of any promotion or significant change in job responsibilities. The committee reviews peer group data to establish a market-competitive executive base salary program, combined with a formal performance appraisal system that focuses on awards that are integrated with strategic corporate objectives. To establish base salary for 2018, the Committee reviewed the 2018 Bank Compensation & Benefits Survey — a partnership of the Ohio Bankers League, Illinois Bankers Association & Missouri Bankers Association and the 2018 Financial Institutions Salary Survey, Midwest Survey Report — Crowe Howath. Salary income for each Named Executive Officer for calendar year 2018 is reported in “Salary” column of the Summary Compensation Table, which appears following this Compensation Overview. The base salary amounts shown in the Summary Compensation Table include directors fees paid in 2018 for service as a director of United Bancorp or its subsidiary bank in the following amounts for executive officers:

Mr. Scott A. Everson . . . . .	\$29,853
--------------------------------	----------

Effective January 1, 2018, all executive officers of the Corporation received a cost of living increase of 3.00% over their previous year’s base salary.

Incentive Cash Compensation. United Bancorp has established a short-term incentive compensation plan that provides for cash awards upon the achievement of performance targets established for each executive officer. The cash-based plan is designed to reward achievement of short-term performance goals. For 2018, the Compensation Committee selected goals based on United Bancorp’s earnings per share. At the bank level, the Committee selected goals based on growth in loans and deposits, return on assets and return on equity. Threshold, target and maximum performance goals were set.

The amount of the annual cash bonus that may be earned by an executive officer is based on his or her base salary and is weighted to reflect each participant’s ability to affect the performance of United Bancorp, with the Chief Executive Officer having the largest weighting. Awards under the Corporation’s cash incentive compensation plan are generally based on the Corporation’s earnings per share for the year and the satisfaction of bank performance benchmarks. The exact weighting and mix of these goals varies among the executive officers. For more information regarding the structure of this plan, see the narrative disclosure that supplements the Summary Compensation Table provided below.

Long Term Restricted Stock Awards. In keeping with the Board’s belief that key to attracting and retaining good management and directors is a competitive compensation program, in 2009 the Board, through the recommendation of its

Compensation Committee, implemented a restricted stock awards program (the “Awards Program”) in accordance with the terms of the 2008 Plan, which Plan expired by its terms on April 15, 2018, ten years after adoption by the Corporation’s shareholders. At the 2018 Annual Meeting of Shareholders, shareholders approved the 2018 Plan, which reserved 500,000 shares of the Corporation’s common stock for issuance thereunder for purposes of continuing the Awards Program. The Awards Program is designed to retain the services of participating individuals by requiring them to maintain a period of continued employment with the Corporation before the ownership of their respective stock award vests. At the time of grant, the receipt of the shares becomes a fully taxable event to participants based upon the current value of the shares, and the acceptance of the shares is subject to the participant’s execution of a non-compete agreement which will take effect if the participant chooses to leave employment prior to normal retirement with the Corporation.

401(k) and Employee Stock Ownership Plan. The Corporation also offers a 401(k) plan, which covers all employees who have attained the age of 18 and have completed one year of service. Eligible employees may contribute up to \$18,500 in 2018 and employees who have attained the age of 50 years or older may contribute an additional \$6,000 in 2018. The Corporation may make a discretionary matching contribution equal to a percentage of each participant’s elective deferral not to exceed 6% of the participant’s annual compensation. Employer contributions are invested in the common stock of United Bancorp, Inc. under the Employee Stock Ownership Plan. Employee contributions are always vested. Employer contributions become 100% vested after 3 years of service. The Corporation’s contributions to the Employee Stock Ownership Plan made on behalf of the Named Executive Officers are included in the “all other compensation” column in the Summary Compensation Table.

Defined Benefit Pension Plan. The Corporation has a defined benefit pension plan which covers all employees 18 or over who have completed 1,000 hours of service during an anniversary year, measured from the date of hire. The plan calls for benefits to be paid to eligible employees at retirement, based primarily upon years of service and compensation rates. Effective January 1, 2014, the Corporation amended the plan to change the calculation for determining the benefit payout upon retirement. Under the modifications, benefits earned under the “Final Average Earnings” formula have been frozen, and all employees will earn future benefits using the Career Average Earnings formula. The plan may provide monthly benefits commencing as early as age 50, but not later than age 70, for employees who terminate employment or retire with 5 or more years of credited service. The plan is integrated with social security covered compensation.

Group Life, Health and Disability Benefits. The Corporation provides healthcare, life and disability insurance and other employee benefits programs to its employees, including its senior officers. The committee is responsible for overseeing the administration of these programs and believes that its employee benefits programs should be comparable to those maintained by other members of the

relevant peer groups so as to assure that the Corporation is able to maintain a competitive position in terms of attracting and retaining officers and other employees. Except for United Bancorp's split dollar life insurance arrangements with its executive officers and certain directors our employee benefits plans are provided on a non-discriminatory basis to all employees.

United Bancorp has split-dollar life insurance arrangements with certain executive officers and certain directors that provide certain death benefits to the executive's and director's beneficiaries upon his or her death. The agreements provide a pre- and post-retirement death benefit payable to the beneficiaries of the executive in the event of the executive's death. The Corporation has purchased life insurance policies on the lives of all participants covered by these agreements in amounts sufficient to provide the sums necessary to pay the beneficiaries, and the Corporation pays all premiums due on the policies. Under the arrangements, directors have the right to designate beneficiaries of death proceeds up to \$100,000, subject to forfeiture of that right upon the occurrence of certain events. The Named Executive Officers have the right to designate beneficiaries of death proceeds up to four times the Named Executive Officer's annual base salary, subject to forfeiture of that right upon the occurrence of certain events. The economic benefit (the imputed income amount of this insurance) for the year 2018 to the Named Executive Officers is included in the amounts for each of these executive officers set forth in the Summary Compensation Table under the column "All Other Compensation." The economic benefit (the imputed income amount of this insurance) for the year 2018 to the directors is set forth in the Director Compensation Table under the column "All Other Compensation."

The Corporation also provides a reasonable level of personal benefits, and perquisites to one or more Named Executive Officers to support the business interests of the bank, provide competitive compensation, and to recognize the substantial commitment both professionally and personally expected from executive officers.

As part of its compensation program the Corporation has entered into agreements with each of the Named Executive Officers pursuant to which they will be entitled to receive severance benefits upon the occurrence of certain enumerated events following a change in control. The events that trigger payment are generally those related to termination of employment without cause or detrimental changes in the executive's terms and conditions of employment. See Employment Contracts and Payments Upon Termination or "Change in Control" below for a more detailed description of these events. The Corporation believes that this structure will help: (i) assure the executives' full attention and dedication to the Corporation, free from distractions caused by personal uncertainties and risks related to a pending or threatened change in control, (ii) assure the executives' objectivity for shareholders' interests, (iii) assure the executives of fair treatment in case of involuntary termination following a change in control, and (iv) attract and retain key talent during uncertain times.

2018 Executive Officer Compensation. For 2018 the executive officers named in the Summary Compensation Table received salaries that were intended to maintain their compensation at a competitive level. Adjustments in 2018 base salary were based upon each Named Executive's annual performance review, an annual review of peer compensation, and the overall performance of the Corporation. These adjustments are consistent with the Corporation's salary budget which is approved by the compensation committee and becomes part of the overall budget approved annually by the board of directors.

The following table sets forth the annual and long-term compensation for United Bancorp's Chief Executive Officer and its two other highest paid executive officers, as well as the total compensation paid to each individual during United Bancorp's last three completed fiscal years.

1. Pursuant to the deferred compensation plan implemented by United Bancorp, Inc. for the benefit of its corporate directors.
2. The amounts shown in this column for the most recently completed fiscal year were derived from the following figures: (1) contributions by United Bancorp to its ESOP Plan: Mr. Scott A. Everson \$6,991 and Mr. Branstetter \$4,237 and (2) the economic benefit of life insurance coverage provided for the Named Executive Officers: Mr. Scott A. Everson \$2,458; Mr. Branstetter \$505 and Mr. Greenwood \$626. The aggregate value of perquisites and personal benefits, as defined under SEC rules, provided to each Named Executive Officer are less than the reporting threshold value of \$10,000, but the value of such perquisites for each of the years reported have been included above.

3. Represents restricted stock awards. These awards are earned and cliff vest over 9.5 years from the date of award.

The Corporation maintains a cash-based incentive compensation plan, payments pursuant to which are reported under the column headed “Non-Equity Incentive Plan Compensation.” The amount of the annual cash bonus that may be earned by an executive officer under this plan is based on his or her base salary and is weighted to reflect each participant’s ability to affect the performance of United Bancorp, with the Chief Executive Officer having the largest weighting. The multiple for calculating the maximum bonus of Scott A. Everson, the Corporation’s Chief Executive Officer, is set at 25% of his base salary for the year (the “Base Multiple”). The Base Multiple for Matthew F. Branstetter and Randall M. Greenwood, the Corporation’s Senior Vice Presidents are set at 20% of their base salary for the year.

Awards under the Corporation’s cash-based incentive compensation plan are based on two general and independent criteria: (1) the Corporation’s earnings per share growth and/or a discretionary level of cash incentive award; and (2) the performance of Unified Bank (the “Bank”) in the following categories: loan and deposit growth; return on average assets; and return on average equity. Under the plan, the potential incentive award of the Corporation’s Named Executive Officers for the year is 75% based upon the Corporation meeting or exceeding its earnings per share from the previous year. The balance of 25% of this cash-based incentive compensation is based upon the Bank’s financial performance. Under the plan, each executive officer is entitled to receive earnings per share incentive awards as follows:

- Earnings per share equal to previous year: 75% of Base Multiple
- 05% Increase in earnings per share over previous year: 100% of Base Multiple
- 10% Increase in earnings per share over previous year: 125% of Base Multiple
- 15% Increase in earnings per share over previous year: 150% of Base Multiple
- 17% Increase in earnings per share over previous year: 175% of Base Multiple
- 20% Increase in earnings per share over previous year: 200% of Base Multiple

The Corporation’s diluted earnings per share for 2018 was \$0.82 (exclusive of merger related expenses diluted earnings per share was \$1.04) compared to \$0.71 for 2017 an increase of 46.5%, therefore the portion of the incentive award based upon earning per share is at the 200% base multiple.

- Market value of \$11.43 per share of the Registrants stock as of December 31, 2018.

In keeping with the Board’s belief that a key to attracting and retaining good management and directors is a competitive compensation program, in 2009 the Board, through the recommendation of its Compensation Committee, implemented a restricted stock awards program (the “Awards Program”) in accordance with the terms of the shareholder-approved 2008 Stock Incentive Plan. As of December 31, 2018, in accordance with 2008 Plan, the Corporation had issued 300,000 restricted common stock awards to certain Officers and Directors of the Corporation. These awards will cliff vest at the earliest of the individuals’ normal retirement date or 9 years and 6 months from date of grant. At December 31, 2018, no shares were vested pursuant to these awards. However, these shares are entitled to receive dividends and may be voted on matters requiring shareholder approval by the respective participants.

The 2008 Plan expired by its terms on April 15, 2018, ten years after its adoption, so awards may no longer be made under the 2008 Plan. All existing awards granted under the 2008 Plan prior to its termination remain outstanding in accordance with their terms. At the 2018 Annual Meeting of Shareholders, shareholders approved the 2018 Plan, which reserved 500,000 shares of the Corporation’s common stock for issuance thereunder for purposes of continuing the Awards Program. To date, no awards have been granted under the 2018 Plan.

## Employment Contracts and Payments upon Retirement, Termination or “Change in Control”

The Corporation has entered into change-in-control agreements with Messrs. Everson, Branstetter and Greenwood. The agreements provide that Mr. Scott A. Everson, Mr. Matthew F. Branstetter and Mr. Randall M. Greenwood will be entitled to a lump sum severance benefit in the event of their involuntary termination of employment (other than for cause) following a “change in control” of the Corporation, as defined in the Agreements. In the event of a change in control and the involuntary termination of employment, the agreements provide that: Mr. Scott A. The Chairman of the Audit Committee receives an annual retainer of \$1,000 and \$574 per Audit Committee meeting attended, while all other members of the Audit Committee receive \$355 per Audit Committee meeting attended (other than those held in connection with a full

meeting of the Board of Directors). The Corporation's outside Chairman receives an additional \$5,000 retainer and as the Bank's Lead Director he receives an additional retainer of \$1,000. Amounts included in the "Fees Earned or Paid in Cash" column also include retainers and meeting fees paid to each for service on the Bank's Board of Directors. Amounts indicated under the "All Other Compensation" column represent the annual economic benefit imputed to each of the respective directors under the Corporation's split dollar life insurance arrangement for the year 2018.

The Corporation has also established a deferred compensation plan for the benefit of its directors, officers and the directors of its subsidiary bank. The Plan is an unfunded deferred compensation plan for tax purposes and for purposes of Title I of ERISA. Amounts deferred under the Plan shall remain unrestricted assets of the Corporation, and participants have the status of general unsecured creditors of the Corporation. Any director or officer who desires to participate in the Plan may elect for any year, on or before the 31<sup>st</sup> day of December of the preceding year, to defer all or a specified part of the fees and up to 50% of incentive award amounts which thereafter shall be payable to him for services in the succeeding year. Additionally, such an election may be made at any time within thirty (30) days following the date on which a person is elected to the Board of Directors if such person was not a member of the Board on the preceding December 31<sup>st</sup>, provided that such election shall apply only for fees earned for services performed subsequent to the election for such calendar year. A Director may also make such an election within thirty (30) days following adoption of the Plan by such subsidiary of United Bancorp, Inc. which had not previously participated in the Plan, provided that such election shall apply only for fees earned for services performed subsequent to the election for such calendar year. At least annually a participant's account balances or credits shall be deemed to be invested in United Bancorp, Inc. Common Stock and the account shall be credited with any subsequent dividends with respect to the Common Stock credited to his or her account.

When a participant ceases to be a member of the Board or an Officer, the Corporation shall pay him or her in equal annual installments or at his irrevocable election, in one lump sum, the aggregate number of shares of United Bancorp, Inc. Common Stock, (including, without limitation shares deemed to be acquired through reinvested dividends) that are credited to his or her account as of the close of business on the date of the termination of his membership on the Board or termination of his or her as an Officer of the Corporation, together with any cash account balance which has not yet been deemed invested in United Bancorp, Inc.
